

Project:	Type:
Prepared By:	Date:

Compact Fluorescent replacement lamps.

Color: White

Weight: 0.3 lbs

Technical Specifications

Electrical

Watt:

23W Self-Ballasted

Optical

Lumens:

1,550 lumens

LED Characteristics

Color Temperature:

3500K

Construction

Minimum Starting Temperature:

-20°F (-28.9°C)

Other

Equivalency:

Equivalent to 100 watt incandescent lamp

Limited Warranty:

Guaranteed to last 12,000 hours at 120V and normal conditions. 10 years usage based on average 1,200 hours use per year.
